OK, 10 is good for me, although I have another meeting at 11. If one hour is not enough, maybe we can pick it up again later in the day.

I have an 0800 PT appointment tomorrow morning. I possibly could make the 0930, but could we shoot for 10:00?

Cindy:

I'm in the office today only and WAH tomorrow....back problems I am trying to deal with.

Anyway, Dave appears reachable by phone. If you want to try to discuss today, just give me a call. I think the only thing I have is a 10:00 conference call and perhaps a 1:30 call with R9 on some issues.

Kim—did you have any discussions with MassDEP on this yet?

Hi Dave and Dave,

Hope you are both enjoying your review of the Revised Phase III for Aerovox.

As August 11th approaches, and I get all the comments together, I wanted to find out if TSCA issues will be incorporated in the rest of EPA's comments expected on the 11th?

We will be moving as quickly as we can to get internal, higher level meetings involved in consolidating all comments (which will incorporate the City's and EPA's reviews). It would be good to have TSCA comments as well. If you don't anticipate TSCA comments, might you have an anticipated schedule?

Thanks,

Angela Gallagher
